Present: Cllr Bullock (chair)

Cllr Morris Cllr
Marchant Cllr
Nicholas Cllr
Pearce

Clerk D Hunt

3 members of the public were present. The three parishioners raised concerns over car parking on the land that was currently rented by Lady Wade Gery. They stated that they felt a car park would ruin the unspoilt look of Cold Aston, it could cause ill feeling between villagers and it might lead to cars being driven faster. They felt that the safety zone parking or gravelling laybys in Bang Up Lane might be a better option. They asked if the Council were aware that field in question was part of the curtilage of the Vicarage and therefore listed. Councillor Bullock responded by stating that nothing was happening yet and pointed out Lady Wade-Gery still leased the land. He had attended a meeting at the school where the school had expressed a wish to lease the land when it became available. He further added before any decision could be made there would have to be a period of public consultation.

The Meeting opened at 19:00

19/00923/FUL; Demolition of conservatory, erection of single and two storey rear extensions, replacement windows, garage conversion, new first floor window on the east elevation, erection of a detached garage with log store, replacement vehicular gates, and raising the front dry stone boundary wall Rose House Old Gloucester Road Bourton-On-The-Water Cheltenham Gloucestershire GL54 3BH The Council wished to object to this application making the following comment; *The Council feel that the size of the new development is disproportionate to the size of the existing building. The higher wall, gates and garage will not be in keeping with the other existing properties along that road.*
